

# Lip Scrubs

*Scrubbing Lips will increase vibrancy and longevity to lipstick*

<b>Type(s)</b>	<b>Description</b>
----------------	--------------------

<b>At Home</b>	<p>Use a damp washcloth or a soft unused toothbrush and gently rub or brush lips to deflake them. Once done, moisturize with Aquaphor or Vaseline. Important to be gentle with lips.</p>
<b>Create Your Own</b>	<p>Create your own lip scrub by combining equal parts sugar and honey or coconut oil.</p>
<b>Exfoliating Products</b>	<p>2 of my favorites:            French Girl Rose Lip Polish Scrub            Fresh Sugar Lip Polish Exfoliator</p>
